

## PANEL MOUNTING OPTIONS

### FLASHAUDIO U-TURN OTP - OVERSIZED THROUGH PANEL

Equipped with an oversized front plate, this unit can be mounted through a hole in the panel, then screwed in place. The large faceplate overhangs the panel.

### FLASHAUDIO U-TURN BP (BEHIND PANEL)

This slimmed down U-Turn is designed to be integrated into a custom exhibit panel from traditional to as wild as you can imagine!
